

I listen to K-Love radio station exclusively EVERY DAY. In the car, at work and at home. It has been such an inspiration to me that I want everyone to listen to this station. The local station # is 106.7 and if this Localism campaign is approved, then I will not get the reception I need to listen. The effect on the local community of K-Love would be displaced by a LPFM broadcaster with other programming. I believe that the service K-Love is providing is of utmost importance and as a Christian, there aren't many other stations to choose from. (the reception is worse) PLEASE reconsider this campaign and NOT support this move. Thank you for what you will do for the kingdom by not approving this.
Blessings,
Denise Finley
